

# TELL US WHAT YOU THINK...

Thank you for taking time to visit the public consultation - we want to hear your views on the plans and proposed designs to reimagine the historic Guildhall.

Please tell us your postcode: \_\_\_\_\_

Overall, do you like the designs for the reimagined Guildhall?

Do you support the idea of a Workbox at basement level?

Do you support the plans for redesigning and improving the building?

Do you use the Guildhall currently?

Would you use it more once it is enhanced/improved?

Did you know that the Guildhall & toilets are not currently accessible for wheelchair users?

Do you support the plans to move & improve the public toilets to a nearby location and make them disability friendly?

Would you support the relocation of the Town Council offices to another town centre location to allow the plans for redesigning & improving the Guildhall to proceed?

Any other comments or suggestions?
